Abundant Life Kids

February 2010 News

Dear Parents,

It's been a great school year so far! I can hardly believe we are half way through ...time is flying!

Our students are busy about their business and are happy. We have had a very busy couple of months in our classrooms and the kids are growing and learning each day. It is so neat to see each child's unique gifts shine...I love my job!

February brings LOVE and Valentine's Day! Our class parties will be scheduled on Friday, February 12th. Each classroom will be doing a Valentine exchange.

Your teacher will supply you with the names of the student's in your child's class. There will also be a sign-up for you to bring treats for the

party. See your child's teacher for more info and thanks for participating!

Enrollment is already beginning for our summer program and will be offered internally before opened to the public.

Space is limited and will be offered on a first come, first serve basis. We have a super fun summer planned for your

child to be a part of! There will be sign-up sheets outside each classroom door. We want to make sure your child is on the list so **Sign Up TODAY!**

We are very thankful to have had an overall healthy winter season so far. Thank you for keeping your child home when they are sick. This makes for healthy and happy teachers and classrooms!

Please continue to use good hand washing at home...this is a great practice to begin to help kids stay healthy!

In the event of severe winter weather, Abundant Life will make every effort to remain open. However, closings will be announced on WINC 92.5 FM ASAP and also posted to our website at

myabundantlife.com.

Thank you for choosing ALK for your childcare needs! It is our pleasure to serve your family.
